“Jesus and the Samaritan Woman”

John 4:1-42

1. Read John 4:1-42. Why was it strange for Jesus to talk to this Samaritan woman?
Here are some things to consider:
 - How many people were present?
 - What were their genders?
 - What were their ethnic backgrounds?
 - What were their social statuses?
2. What did Jesus want to talk about? And what did the woman want to talk about?
3. Do we have the same tendencies when encountering Jesus?
4. How was the woman changed by encountering Jesus?
5. How do we encounter Jesus in similar ways to the woman?
6. Are there “wells” to which you run when you are thirsty for more than physical water?
7. How can you actively drink from the well of God’s Holy Spirit?
8. Is God speaking anything else specific to you through this encounter, something He wants you to take away from the story or receive from Him?
