

Weekly Discussion Guide – 1-29-2023

1. Read 1 Chronicles 28:9, Psalm 139:1, Psalm 139:23-24, Lamentations 3:40, and 1 Corinthians 2:10.
2. What do these passages have in common?
3. What do these verses tell us about God's role? What do they tell us about our own role?

Now, we are going to practice the prayer of examination. Please remember to keep what group members share in confidence.

4. When were you aware of God today or this past week?
5. When were you not aware of God today or this past week? Is there a reason that you were not aware of Him?
6. What good can you celebrate today or from this past week in thought, word, or deed?
7. Where did you miss an opportunity to do good in thought, word, or deed or perhaps didn't show up in the way you know God wanted you to? Since this question is confessional in nature, if anyone in your group shares anything aloud, let everyone else in the group respond by saying, "In the name of Jesus Christ, you are forgiven."
