2. What is the gospel message according to Galatians 2?
3. What do you think of when you hear the word, “justified”? How would you define it in your own words?
4. In what ways do you most often tend to justify yourself? Or in what ways do you seek to be justified in the eyes of others?
5. Think about some descriptions of your old self or false self (what does your nature look like without Christ, His influence, and His power?).
