## “Redeemed” Galatians 3:7-14

1. Outside of church and the Bible, where have you heard the word “redeem”? What did it mean? How would you define it in your own words?
2. Read Galatians 3. What new thing does Paul introduce in verse 2 that happens by faith?
3. What might it mean to begin by means of the Spirit and try to finish by means of the flesh (3:3)? What would this look like in one’s life?
4. What does it say the Law was unable to do?
5. Then, what does this chapter say was the Law’s purpose?
6. In his book, *Waking to God’s Dream*, Bishop Dick Wills once wrote, “The greater the relationship, the fewer the rules.” What resonance or resistance do you feel toward this statement? Describe how this plays out in a) your understanding the biblical story and b) your own relationship with God.
7. Do you sense God giving you a specific invitation or challenge through this week’s scripture?
